SAPPHIRE CIRCUS SCHOOL

10 Dan Pienaar Drive, Tedderfield, Eikenhof 1872. Google Maps : Macs Party Venue.
Contact 011 9488752/ 071 599 8272

Our Circus School workshops were created and conceptualised by the renowned Boswell Wilkie Family. In 2015 Boswell Wilkie decided it was time to take down their big top and continue with their Circus Coffee Shop. They gave us their unique concept and we promise to maintain the high quality & fun filled experience offered by Boswell Wilkie for 13 years.

Which child has never dreamt of being in the circus?

This is a unique experience, in which the children can fulfil their dreams of being a circus performer. Each workshop is unique, as the show is performed to the ability of the “performers”. All participants meet outside the Big Top area and are marched off to the Big Top where professional circus performers take them through their paces. Performers (children) participate in Tightrope walking, hula-hooping, monkey swing, trapeze, unicycle, juggling and many more exciting activities. All children are then transformed into performers, with make-up and dressed into original circus costumes and they then perform with our professional circus performers in the ring. Teachers have a separate area to relax in while the “Performers” are rehearsing
